Mr. John T. Broaddus, Jr.
Principal
George C. Marshall High School

Falls Church, Virginia, 22043

Dear Mr. Broaddus:

Thank you for your letter of 6 April 1973 in which you requested the opportunity to display the Agency Drug Abuse Exhibit at Marshall High School during the period 7-11 May 1973.

I am pleased to note your interest in the area of drug abuse and to advise that your request has been approved. I join you in hoping that the exhibit will have a beneficial effect on those viewing it. As this is the first local showing in area schools, I would be interested in your appraisal as to its impact and effectiveness.

25X1A [REDACTED] will be handling the arrangements for the display and will be contacting you shortly to discuss details.

I wish you every success. Feel free to contact us if I may be of further service.

Sincerely,

SIGNED
JOHN R. TIETJEN M.D.

Director of Medical Services
Central Intelligence Agency
Langley, Virginia

Dear Dr. Tietjen:

25X1A

It has come to our attention through [REDACTED] of your Agency, who is also president of [REDACTED] that the Office of Medical Services Drug Exhibit is one which would be valuable for students to have an opportunity to see.

25X1A

We would therefore like to request the opportunity to have the exhibit on display at George C. Marshall High School during the week of May 7-11, 1973, if possible. It would be in a location in the school where it would be secured after each school day.

We are hopeful that the exhibit will have the desired effect on the student body and all who will take the opportunity to view it. Thank you for your cooperation in this matter.

Sincerely,

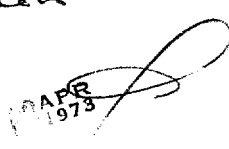

John T. Broaddus, Jr.
Principal
